We are looking for community FEEDBACK!

Recreational and personal transportation vehicles

SURVEY

The RM of Edenwold is reviewing the bylaws for recreational and personal transportation vehicles. Today, there are many different types of vehicles in use, including golf carts, e-bikes, e-scooters, ATVs, dirt bikes and snowmobiles.

The RM is asking ratepayers to share their views about which vehicles should be allowed on municipal roads and pedestrian pathways, and what rules should apply. Your feedback will help Council understand community priorities and guide future updates to these bylaws.

**The survey includes just six
quick questions and will be
open until September 14, 2026.**
